

FRIENDLY REMINDER

Before leaving on summer vacation, see what SHOP has to offer in the way of GIFT CARDS. Whether it is a long distance trip to Disney World or a short drive from home, most, if not all expenses, can be paid through their huge selection. For example, when Fr. Rodney visited his niece in Greenwich, CT last summer, he was able to pay for his hotel accommodations through a Hotels.com gift card, as well as gas and food gift cards. With a little bit of planning, Sacred Heart School can also enjoy summer fun by receiving a percentage from your card purchases.
