

RELEASE / REQUEST FORM - HAZARDOUS ACTIVITY

We request that our child _____ be allowed to go on any field trip involving Hazardous Activity, including but not limited to skating, climbing, skiing, and amusement park activities during the **2019-20** school year. Sacred Heart School (hereafter the "Organization") believes this trip will benefit our child both educationally and spiritually. We understand that each classroom teacher will notify each family prior to each activity and we reserve the right to withdraw our child from said activity.

We understand that all rules of conduct and standards of behavior, as deemed by the Organization will apply to this trip and we have discussed these with our child. We further understand that we must assume all responsibility and liability for our child while traveling to, from, and during this trip. With this knowledge, we freely assume this responsibility and liability.

Our child has been informed that he/she is to abide by the rules and regulations including the directions and instructions from the school's administrators, instructors, and supervisors as imposed on students while participating in the program or activities. This shall include his/her participation in the planning and information sessions and meeting all the prerequisites prior to his/her participation in the activity or program.

In the event that our child fails to abide by the rules and regulations imposed on the student while participation in the program or activities, disciplinary action may either require that he/she not participate in the program or activity, or that I will be contacted to have him/her picked up or transported home at my own expense.

We also understand that it may not be financially feasible for the Organization to provide transportation for all those who are going on this field trip. Therefore, we understand that some participants may be traveling by bus or by privately owned vehicles. With this knowledge, we hereby consent to our child traveling to, from, and during this trip in either of these manners.

We further understand that the activities related thereto are hazardous and we realize that injuries are a common occurrence. We freely accept and voluntarily assume all risks of personal injury or death, and property damage resulting from our child's participation in these activities. We fully understand that differences in height, weight, age, and skill, as well as the types and condition of any equipment used, also affect the dangerousness of these activities. We also acknowledge that we as parents/guardians are in the best position to know these things about our child. With this knowledge, we hereby consent to our child engaging in these activities.

We further understand that the Organization is not responsible for any damages or accidents that may result from our child's actions or the actions of others. To the greatest extent possible, we release the Organization and the Diocese of Springfield in Illinois, and all those acting on their behalf, from all liability for damages to or caused by our child as a result of this trip and we agree to indemnify them for any such damages.

**We hereby also give our consent for our child to receive emergency medical care during this trip.
We hereby also give our consent for photographs of our child to be taken and released.**
